

Sample Question Answers

1. When will I get married?

Ans: Based on the planetary combinations in your birth chart you are most likely to get married between the period of November 2017 - January 2018.

2. Can I get settled abroad? If so, what is the most likely period?

Ans: Based on the planetary combinations in your birth chart , the chances for you to settle abroad permanently are slim, though you would keep travelling between foreign countries and India quite often.

3. When will I have my own property?

Ans: Based on the planetary combinations in your birth chart, there are strong chances of you buying a property sometime during the period of March 2018 - June 2018. Staying in the same property is a different matter altogether.

4. My marriage is going through a difficult phase, are things looking hopeful in the future?

Ans: You are currently going through the last few weeks of Saade-Saati. If you can somehow pass the time till end of October 2016, things should start looking upwards after that. I don't see any major problems though, this is just a passing phase.

5. I am pregnant, could you please tell the sex of the child?

Ans: As per the Indian law it is not legal to pre-determine the sex of a child medically, extending the same and respecting the law of the land, I am sorry to say, that I cannot answer this particular question of yours.
